PLAN THE WITH FUTURE US

The Council is in the process of preparing the Sites and Policies DPD as part of the Local Development Framework. This document makes allocations of land for a number of uses including housing and employment. In Oct/Nov 2010, the Council consulted the residents of Melmerby on potential housing allocations within the village, however we are now wanting to obtain your views on an option to extend the Barker Business Park, Melmerby (see Map below). This extension (Site RL2019) is part of a package of sites across the District for employment land and will serve the Ripon employment area.
