LOTTERY WIN FOR JENNYFIELDS STYAN COMMUNITY CENTRE

Children in Jennyfield and Killinghall area are set to cash in on a lottery 'Awards for All' funding to help them be creative. The Department of Leisure and Amenity Services' Community Development Team based at Jennyfields has helped the centre's management committee get a grant of £4150 for their new three 'Cs' project – culture, creativity and community workshops. The project will include arts, drama, music and multi-cultural workshops.

They will be held bi-monthly at Jennyfields Styan Community Centre and will be available to all children aged between 9 and 13 who live in the Jennyfield and Killinghall area.

The first workshop – banners and mosaics – run by the Rural Arts Group, is being held on Saturday, 2 October from 10.00 am to 3.30 pm. Children need only bring a packed lunch, everything else is free.

Spaces are limited so bookings must be made by telephoning Gavin or Shelley on 01423 521667.
