MIDDLESBROUGH'S NUMBER FIVE

Granby Community Leisure Centre is the fifth venue to set up a football coaching programme with the Kick Off Football Development Scheme developed in conjunction with Middlesbrough Football Club. Granby, which now joins leisure centres at Boroughbridge, Nidderdale, Rossett and Ripon, is including this new scheme in its new September programme.

This latest coaching centre offers a programme on Monday evenings from 5.00pm – 7.00pm for players aged 5-11 years and from 7.00pm – 8.00pm for girls aged 6-14 years. Costs for a seven week course are £23.80.

The scheme comprises five levels of coaching, minis, juniors, bronze, silver and gold. These levels have developed around players' progression in individual skill areas. Ethics of the game such as fair play and attitude are incorporated at all levels through small sided games.

Those players involved with the scheme who demonstrate the required criteria will also have the opportunity to join Middlesbrough Football Club's development centre programme.

To book a place on the course or for further information please contact Granby Community Leisure Centre on 01423 502880 or John Mcgovern Assistant Sports Development Officer on 01423 556718.
