Subject:Objection To Planning Application 17/03414/EIAMAJ

Dear Mr Parkes,

I am writing to pledge my objection to the planning application for a motorway service area at Kirby Hill for the following reasons:

1. Need - There is no need for an MSA in Kirby Hill as there is already an MSA in Wetherby.
2. Environmental impact - It would spoil the views, wildlife, agricultural land, with increased noise,light and air pollution.
3. The impact on local traffic and villages during construction would be disruptive.
4. This site has already been the subject of previous public inquiries and has repeatedly been rejected which demonstrates its unsuitability.

Please accept this email as my objection to the proposed MSA at Kirby Hill.

Yours sincerely,
David Ramsden
