

## HOUSING ASSOCIATIONS THAT OPERATE IN THE HARROGATE DISTRICT

Between them, Registered Providers of Social Housing (more commonly called housing associations) own or manage around 4000 affordable homes in the Harrogate district. Most of these are rented general-needs homes (suitable for most people who qualify for affordable housing) but some are shared-ownership homes and others are rented sheltered or extra-care homes for older or vulnerable people.

For more information on housing associations and applying for affordable housing, visit [www.harrogate.gov.uk](http://www.harrogate.gov.uk).

This sheet lists all the housing associations that have houses in Harrogate district. All of them take applicants from the district-wide **housing waiting list** held by the council, but those marked with an asterisk (\*) maintain their own housing waiting lists as well.
